### The Story:

Gaby is a must see escort - great company, enjoys the job and excellent in giving pleasure to her companion.

As soon as I arrived she started off with lots of hot kisses and then started to get really frisky on the sofa. I was getting really hot and excited so suggested I take a shower.

When I entered the bedroom with a towel round me, Gaby said too many clothes and ripped it off. From then on it was total action - first she gave me oral until CIM then we had a short sip of wine to relax for a few seconds!! Next, I gave Gaby oral and she was very responsive to a great climax. On with the overcoat and then cowgirl, missionary and doggy in front of the mirror and all this whilst having some dirty talk!! After all this she still gave my cock some more attention - what a girl!

Amazing, see for yourselves Gaby is incredible and really enjoys what she does and it tells!!
