The Story:

Knocked on the door and ushered into the bedroom by the maid.. Katy joined me and i was pleased to hand over the cash to a fit slim friendly busty young girl wearing a thong, high glass heels and breasts pouring over the top of a heavy duty bra !. paid for sex and oral. Started off very friendly. Waited for Katy to return laying on the bed suitably aroused !. She soon reappeared not seeming quite as friendly , removed her thong and heels then after applying the rubber gave a very nice if a little too short blowjob with nice technique and perfect suction and rythym, varying depths etc. Soon indicated for me to jump on top as she laid out before me on her back legs apart and breasts standing up proudly ably supported by an extra strength bra. Asked at this point if she would remove the bra but told this would be ?10 extra as i suspected when she initally kept it on. Refused the offer and jumped into the saddle , easing my cock into her averagely tight pussy holding myself above her watching her squirm as she moved her head sideways trying to avoid eye contact as i pushed slowly in and out while she laid there motionless. Then increasing the pace and lowering my body downwards and resting upon the two large firm breasts beneath feeling her breathing against my torso as they heaved upwards over the top of the bra, now really hammering her pussy and pulling her body firmly against mine with a hand placed around her lower back. Locked in this position she was helpless to my relentless pounding, her breasts trapped in the firm bra actually increased my pleasure as they were held securely above her chest giving me a firmer soft bouncy platform as my body squeezed against hers with each downward thrust. This continued for quite a while (comparatively) and as she became increasingly agitated by the time i was taking my thrusts became increasingly shorter and more powerful in an attempt to complete the task, eventually exploding inside her with tremendous force, relaxing my grip around her as a wave of extasy passed through my groin and around my body, then taking my time extracting my still pulsating cock from her pussy.

Would definitely recommend for value for money for lovely young slim firm flesh. Not as friendly during the action as i was lead to believe on meeting Katy , possibly she is happier with a longer time and more money spent indicated by other reports on here but still worth a poke!. Would also return ... next time for a little longer to enable me to play with her best features free from their harnessEnjoy guys..
