### The Premises:

Gina lives in a lovely house in a secluded location. The area is totally safe and parking is easy and discreet.

### The Lady:

Gina has auburn curly hair, great legs, lovely boobs and one small tattoo at the bottom of her back. She is about 5'5" tall and dress size 10-12.

### The Story:

When I made the appointment with Gina, I did say how I would prefer her to be dressed. On arrival I was delighted to see that she was just as requested and she was wearing a particularly sexy pair of red shoes. I was greeted with a lovely kiss and was offered a cold drink. She was friendly, warm and welcoming and we then spent a few "getting to know you" minutes in her lounge.

We soon went upstairs where the demure lady from downstairs became a tigress. She delights in undressing her guests rather than them undressing themselves and it was a wonderful experience as we became naked together.

Her website says that she is a passionate, sexy, mature woman. She also likes kissing and cuddling and I can certainly vouch that that is just the start of her charms.

I am not going to kiss and tell, but I will say that watching her face when she climaxes is great.

Having undressed you, she will then redress you afterwards - a nice feeling of intimacy!

Visit her and enjoy the experience.
