spotlessly clean, very quiet and discreet flat near heathrow. private car park and perfectly safe.

The Lady:

bianca is a beautifully proportioned rather small lady with a very sweet face and an impish smile. lovely sparkley eyes behind innocent appearing specs all set off by her fabulouse, luxuriouse, long black hair. altogether a perfect package.

The Story:

this is my first report on p/net though i've been perusing the message board for a couple of years and been punting a little longer.

this was my second visit to bianca, unusual for me but i had to find out if the first visits experience could be repeated as i had had a wonderful time. i wasn't dissapointed thank goodness.

bianca met me at the door dressed as if for a private dinner party,(with me as the only guest, yipee!) a lovely knee legnth cocktail dress and dark stockings with great high heeled shoes bringing her face up to kissable level.once showered,what folowed was a truely fabulouse hour of sensataions, loads of undressing, kissing, stroking, touching and sucking etcetra. all performed by bianca without a hint of holding back, interspersed with plenty of laughing, giggling and shooting the breze about every subject under the sun. with bianca delightfully naked and available throughout, this is what GFE is supposed to be like and so seldom is.dirty talk that usually puts me off a bit seems entirely erotic in that very sexy accent of hers and has the desired effect on the libido.if you like your ladies with a sense of humour and intelligence as well as rauchiness, bianca could well fit the bill. i will reluctantly recommend with the hope that she doesn't get too busy and loose that specialness. thanks bianca. ciao !
