### The Story:

After speaking on the telephone, i asked could i have a quicky, Just because I wanted to visit Louise and didn't want to be let down. I have had this happened to me before. She was very welcoming at the door, straight into the bedroom, she asked if I wanted anything to drink, but I had to turn her down. I just wanted to hold her to me. Her figure was in my mind's eye.  
After the money was over i undressed Louise then came back into the room and took her top off and her boobs were there in front of my face. After getting settled on the bed we kissed passionately, I then went down between her legs, her lovely looking fanny was totally naked and tasted great, while I was licking her clit and lips she was getting excited and pulling on her erect nipples. I just had to stop, she then gave me a brilliant & exciting Blow-job, Naked. She could win a Gold Medal for England in Blow-jobs, i had to stop her, because I was totally bursting, and could not control myself, and blew my spunk everywhere. Visit this Lady you will not be upset in anyway.
