The Premises:

Clear directions made it very easy to find on the edge of a retail park/industrial area. Safe off road parking immediately outside, with reserved bays for visitors no less. Walk in service with no buzzer or waiting on street for response. Clean, well appointed and only having opportunity to view reception, clients loo and water room no concerns.

The Lady:

Even better than web site profile. Gorgeous looks, beautifully formed lithe firm body and sparkling personality. Throughout Lara kept up a relaxing and entertaining conversation, not too prying but expressing a range of interests. Although a fairly experienced punter myself I enjoyed her company greatly and she would be an ideal girl for a nervous first timer.

The Story:

Commenced with a massage, offered talc or oil as choice, which was by far the best I've had in 'parlour' establishments. Followed by a shared and mutual shower before moving on to an air bed for a 'soap suds' massage, a new experience for me, and wow it was an unbelievable experience to have Lara massage me with her body. Finished with a slippery Lara on top coupling, she is a very responsive young lady, that had me exploding. A very relaxed and no rush service.
