The Lady:

Barabara sangita daniella jenny valerie

The Story:

arrived 20 mins late cause there is no cash machine around lancaster gate AT ALL, so headed up to the petrol station, and just as I reach there some plonker manages to break the machine. Then have to head to queensway to get cash and dash back to lancaster gate.

Jumped in and out of the shower, found Sangita a lovely mixed brazilian background of a lady cute as hell found her free so jumped on her (not literally)

A quick fondle, grope, tit wank, and then i head downtown, for a lovely O

Jenny - a lovely pretty playful brazilian very friendly and obliging, Headed downtown on her and pretty sure I managed to get an O out of her but she was entertaining another guy at the same time so was slightly muffled, all in all a very beautiful lady and she was to return the favour later

returned to the master bedroom and Sangita was playing with a chap, Barabara was busy all afternoon, grabbed Sangita for some chair action missionary, doggy, one leg in the air stuff then popped her on the bed, headed downtown (you know the plot by now)

Then found myself in the big bedroom, Jenny was giving me a hand job and Sangita on one side, 5 mins left time was against me, but somehow i managed to squeeze one out right at the end phew
