The Premises:

Safe suburban street, but quite a way from the nearest station. Flat was very clean and tidy.

The Lady:

Large Russian girl, late 20s, great figure with size DD boobs.

The Story:

I don't usually go for large girls, but I was in a bit of a hurry and there was nothing else on offer in the area so thought I would try Sophie's.

Victoria speaks good English and was very friendly. We stripped and she started with a sexy massage. Then covered oral, which she is very good at. We then started with doggy and finished with mp. All great, I especially enjoyed touching and looking at her boobs during the sex.

We had a bit of time left so she gave me a nice relaxing massage to finish with.
