The Premises:

A comfortable, cool (it was a very warm day outside!) apartment in a block on a quiet road not far from the centre of Richmond.

The Lady:

Grace is mature (mid-forties), tallish, blonde and quite curvy. Although her face is not shown on her website, it is as attractive as the rest of her.

The Story:

We met at her apartment; the directions she gave were clear but, unfortunately, I misunderstood them and arrived slightly late. After lunch, with copious conversation, at a local restaurant, we returned to her place. A little more chat and a glass of wine followed, in order to cool down from the outside heat and then we retired to the bedroom. We undressed each other and Grace gave me a restful massage. Once I felt suitably relaxed by the massage, we commenced on the main event with Grace being gentle and responsive; this led to a very successful conclusion to the proceedings. We relaxed for a short while with another glass of wine and more conversation and then went for a very pleasant round two. Although I was a little late arriving, I was not rushed out and enjoyed the full length appointment.

It seems to me that spending a sensual Sunday afternoon with Grace was a perfect way to (almost) finish the weekend and prepare for the rigours of the week ahead.
