The Lady:

Blonde, toned, well spoken, great nipples and arse and good looking as well. Soft scottish accent.

The Story:

Led to the room and straight for a shower. Declined the massage and straight into a full tongue kiss. Hands all over my cock and then she drooped to her knees and sucked and licked for Britian. Undressed he and moved on to the bed, fingers in both tight holes made her yell and moan a wee bit. Had a taste of her gravey, very nice. She then asked to suck my cock again, which I duely obliged and let her for about another 5 minutes. On with the hood and took her from behind whilst pulling on those great nipples. Shot my load and then she cleaned me up. Summer is a great WG and well recommended and worth while booking. Does services right across the board. I for one will be returning. Thanks again, Dave from round the corner.
