The Story:

Booked in with Suezanna as I'd seen her here before. As usual I picked the mirrored room, it's smaller than the other rooms but has wall to wall full height mirrors as I love to watch the action from all angles. As usual I took a shower, and put on my stockings, black fencenet hold ups this time, 5" platform mules and long blonde curly wig. I stand watching myself wank in the mirrors and when I'm hard I open the door to signal I'm ready. As usual Dawn the receptionist usually likes to have a look at me. Suezanna came into the room and saw my rock hard cock. She wasted no time getting on her needs and sucking me and licking my aching balls. I whipped her bra off and started playing with her ample tits and with my other hand playing with her pussy. I don't waste much time and soon had the condom on. Sat her on the edge of the bed with her legs in the air and began pumping her, building up speed and momentum. She loved getting a good hard fucking as we both watched ourselves in the mirrors, changing positions here and there. After about 15 mins of solid hard fucking I whipped the condom on, put my heels back on and asked her to watch me wank myself off. She knealt down in front of me holding her tits out ready to take my load. She moaned as I spurted my big hot load all over them.
