The Premises:

Nice town centre flat. Reasonably discreet, smelt clean which is always a plus. Plenty of metered parking nearby.

The Lady:

Tall slender black lady with decent sized breasts and a lovely smile.

The Story:

First time in a new place one is never sure what to expect. Shola is an absolute sweetheart, gave me a nice massage (I enjoy this bit so don't race through it) and then a first class OWO. Trust me, I have had blow jobs from loved ones and professionals, this was right up there in the top drawer! She reserves the right to refuse so remember your hygiene gents! For what I had paid I could have had sex but this was such a glorious experience I elected to have her finish me off like that as the full pampering experience. I can only recommend!
