The Story:

Started well friendly and sat on sofa. Admin out of the way. Her profile on the unmentionable site said and I quote here - French Kissing Will always start of with a real kiss. I am passionate kisser and love the feel of tongue in me- Oh no she doesnt! Next it said - CIM You can pour your load into my mouth when I suck you. I will continue to suck you once you have cum inside my mouth or make me kiss you with a load of your cum in mu mouth - Oh no she doesnt! Next it said - Lapdancing I am really good at this.. So dont miss out- She looked surprised when I asked and only had music on her phone. Chat, shower, half baked OWO looking forward to CIM, no only on my tits she said. Had a bit of DATY and Mish and doggy, finished and showered all done in 40 mins. Nice girl, just not what is advertised....be aware
