The Story:

Phoebe is very sexy and I couldn't keep my hands off her and we were soon kissing, really passionately, this was an excellent session, one of the best I've had. It all felt very natural, more like being with a horny girlfriend than an escort. There was OWO, RO with plenty of vocal encouragement to orgasm, more OWO, protected sex with me on top and ending with more oral and a fantastic CIM. I really enjoyed myself and I think Phoebe did too. There was no clock watching and we had a cuppa and chat afterwards.
