### The Premises:

Didn't see her place but my hotel was fine!

### The Lady:

Blonde, pretty, curves in all the right places, as explained on her website she is currently a size 14 but working at getting back to the 10 she used to be.

### The Story:

A very pleasant dinner date with a friendly companion. I was staying at a really nice hotel and we dined there before retiring to my very comfortable bedroom. Ruth is physically as shown on her website and provides all the services that I was looking for. Thank you, Ruth, for a very enjoyable evening. Sorry this has taken so long to post, I've been on my travels again.
