The Story:

got off to a slow start,with lalya preparing herself ..very clean person in all deptments and take pride in this..her manners put you to relax completely and maybe too relaxed for me this first time with her.. her owo was the best and she has a deepthroat method that blows you away..still cant beleive how and all of my tool she swallowed,and ended up just pouring my come down her throat,probably straight into her stomach with none touching the sides..unbelievable... onto sex straight away as she does not give up and even though i was a bit limp it was good fun...
