The Story:

I arrived on time and Sandy was waiting to welcome me at the door. A welcome kiss calmed me down and she led the way into her house offering a drink. We had a cup of tea in her sitting room and chatted for a while. Amazingly although we had never met before I felt at ease with Sandy. She made me so welcome and was easy to talk to any nerves were dispelled in fact it felt as I had known her for ages. She led the way to her bedroom and we kissed for a while, then she removed her dress to reveal her fantastic body. I joined her on the bed and we had a unhurried session of sincere love making. She knows her way around and how to please, we finished doggy and then lay and chatted some more. Never hurried or made to feel I had to go. This girl is wonderful, pretty, intelligent, and dam good at what she does. Respect her and she will you, will I return, absolutely. Thanks Sandy, Buzz xx
