The Premises:

A very secluded house at the back of a village, itself secluded!

The Lady:

Jade is about 5'10, a size 12 with perfect (enhanced) boobs - certainly more than a mouthful. Long black hair, dark eyes. Eurasian origin but very English.

The Story:

I have never met a lady who enjoys her work (and play) as much as Jade. Many girls say they do, but then behave in a way which suggests this is not true. Not in Jade's case. She is a more mature escort (40s) and knows how to please and how to enjoy herself. I don't recall the last time I enjoyed myself so much. She sometimes works with another lady and I will try that approach next time.
