The Premises:

It is the first flat on the second floor. Felt safe, no problems. The flat is very clean with one very nice "boudoir" bedroom, very comfortable with good atmosphere.

The Lady:

Sonya is famous in Mayfair having worked in this area for several years. She is about 30 and a stunning Swedish blonde with a great figure. Those that have met her will know and those that haven't must!

The Story:

I was met by a lovely, sweet maid who immediately puts you at ease, so nice I gave her a ?5 tip. I have seen Sonya on many occasions and consider myself a regular and the more you get of her the more you want. I thought it time I made you aware of what you are missing (unless you are already one of Sonya's followers). She is an IT girl, she has what IT takes to make you feel special, excited, dirty, randy, and above all satisfied. What more can I say? She is there to 5am so no excuses.
