The Premises:

Easy to find apartment block about 5 mins walk from Bayswater tube. Shared flat (with another WG) but Suki's room is very spacious with dimmed lighting to enhance the mood.

The Lady:

It's her in the photos - the tattoo on her shoulder is an easy giveaway - but she looks a little older and her face is more angular in person. She's average height with a well proportioned body and lovely breasts which (I think) are natural and not enhanced.

The Story:

Agency confirmed date by text, all straightforward and easy.

Suki welcomed me dressed in red bra and panties and black stockings. I was offered a drink and we completed formalities before I asked if I could take a quick shower as I was hot and sweaty from my tube journey. She immediately put me at my ease and made a few jokes about all of the towels in the bathroom.

Ready for action we began with some light kissing and Suki concentrated on my nipples which was very pleasureable. My default pattern followed involving DATY, OWO and then cover on for cowgirl. Suki seemed to tire quite quickly in this position but I was able to continue until I finished inside her.

After more drinks Suki lay on her front and asked if I would give her a massage. Thankfully it wasn't long before she joined in and started rubbing my cock as I valiantly tried to satisfy her demands. I'd have liked to have spent more time on her wonderful breasts, alas Suki was keen to get on with Round 2. She asked if I could go on top this time, so we tried mish for a while, before changing to doggy and then she tried to finish me off by hand but I just couldn't pop for a second time.

We took a shower together and then got dressed, Suki getting dressed up for a subsequent outcall appointment soon afterwards.

All in all she was pleasant company, with a killer body, who provided a good - if not outstanding -

level of service.
