The Premises:

Easily found property with the number displayed on the corner and with safe parking outside. Inside modern, clean and comfortable.

The Lady:

Annabel is very pretty with the most amazing large and firm breasts. She is a refined lady and this shows in the way she dresses and conducts herself.

The Story:

Offered a drink on arrival and invited to sit on the sofa and chat to break the ice, she is well educated and can hold an intelligent conversation. During this time she held my hand, turned me on and then lead me upstairs. The details are between us and you must visit to find out for yourself, but she does enjoy her work and you will be left in no doubt about that. Not a clock watcher and I'm sure we went over time but I was not rushed out into the street.
