The Premises:

Safe, high end residential estate with allocated parking space. Buzzed in upon arrival. Immaculate flat, very welcoming. Offered a shower. I said that I had taken one prior to leaving home but happy to have another - she was okay with that.

The Lady:

Opened door wearing a short dress. Initially very much a girl next door look. Once the paperwork was completed and her clothes came off my eyes popped out. Georgous bod with lovely silky smooth skin.

The Story:

Only my second independent (have switched from parlours since the new laws in April). My first used a bit of poetic licence with her age and size, and photos from 2004. Bianca was the real deal and exactly how she appears on the website. Started with long OWO, cowgirl and doggie. The massage after the first course was almost as good as the other stuff - deep and relaxing. Bianca doesn't tire easily. Onto round two and more satisfaction. Struck lucky here and don't really want to share, but she was so nice that I have to recommend her without reservation!
