The Premises:

Clean, safe, luxurious apartment in Central Maidenhead. Felt totally anonymous.

The Lady:

As on website. Great looking for her age, curvy in a sexy way and with a great attitude. Very welcoming and eager to please. Has boundaries but responded readily and enthusiastically to requests within those boundaries.

The Story:

Welcomed with a glass of chilled good quality wine. General chat to break the ice and get to know one another. This may have seemed to take too long but that may be because as soon as you see her you can't wait for the action to begin. But why shouldn't she be given the opportunity to build rapport given what you are about to get up to! The main event did not disappoint in any way. Oral both ways and sex in a variety of positions and the time flew by. Thanks Sacha I had a great time. Would I see her again? Oh yes!
