The Premises:

clean 2 bedroom working flat with plenty of off street parking. Lovely maid always smiling. Two girls to choose from. Not far from shell.

The Lady:

lisa is very young italian with a school figure and short dark bob hair. Very cute with sparkling blue eye and smooth complexion.

The Story:

chose lisa as she's so cute and had a lovely smile and those blue eyes. When you see her you just have to have her. Good start as she went straight to give me bb oral, she might be young but she knows how to suck a cock. You can't let a girl suck your cock without licking her pussy so went down on her shaved pussy and she moaned with pleasure. Don't you just love the sound of a girl moaning with pleasure. Only disappointment was she didn't f/kiss. But hey can't always have your way. Catch her quick as she's going back to italy.
