The Story:

I usually enjoy writing detailed FRs as it brings me back good memories of the punts.

There is nothing good to write about for this punt apart from she is pretty, got a fantastic body and polite (to start with anyway).

I remembered reading something from the forum written by Indian Palace saying that all the girls at Indian Palace now provide reverse oral at no extra charge. Reverse oral is a must for me nowadays.

When I asked Sara (Narinder) at the beginning of the punt if she does reverse oral, she then said ?not really.? I then quoted her what Indian Palace said on the forum, and she said she would only do it with a dam and I would not like the taste of latex. I should have got the message that she does not want to do it by then, but being stupid at the time, I still asked her to go and get a dam any way. Out she went to ?find? a dam, and came back 5 minutes later. Things just went downhill from there. The reverse oral only lasted for 30 seconds, and during that time she kept on giving those faked moans, ?I am going to cum, are you done yet, I want you to fuck me before I cum??.? By then, I finally realised that she did not want to do it. I have never forced any girls to do anything that they are not comfortable with, so I stopped and moved on to the sex.

?You can?t touch me here, you can?t touch me there, you can?t kiss or lick my face, my nipple is sore, and do you mind not sucking it??.?

She did not like any foreplay at all, she just kept on telling me to fuck her hard, so I would cum and she could go.

She is only in it just for the money which is fair enough but at least she could be more professional about it. I sometimes wonder if I would be treated better if I did not ask for reverse oral at the beginning.

When I saw her, she was known as Sara. I have noticed on the Indian Palace website that she has now changed her name to Narinder. I was not sure which name to put down, I only put down Sara

as this was what she was known as when I saw her.

I did have a good time at Indian Palace a year ago with Roshni, and I would probably return to try other girls, may be Jada or Samia, but I will certainly not see Sara (Narinder) again

Service Provider's Rebuttal

Narinder writes:

Dear Kennydavies, from reading your report about me, I know you did not come in to see me. I know 'people' have faked bad reports about me in the past and this report adds to the fake list. You have obviously got your information from reading bits of information on Punternet. I also suspect that all the fake reports have been written by the same person. I won't go into it on here, but you know exactly why you would fake reports on me. Now that I have changed my name to Narinder, you think I am trying to escape my known name of Sara on Punternet and you want to make sure that Narinder gets a bad report. I asked Punternet to change all my reports from Sara to Narinder as well, so people reading punternet reports would see all the reports on Narinder, good and the fake bad ones. I don't know what you think you are trying to achieve here. You really give it away in the last bit of your report going over the fact that I have changed my name from Sara to Narinder.

For the record, I have NEVER said 'not really' if someone want's reverse oral with a dam. I am fine doing reverse oral. And I always keep my dams in the room in the bag that I always take in the room with me at the start of the service. I never leave the room to get anything. But you obviously don't know that as this report is totally fake. Even if a person want's a drink, I don't leave the room, i call out the door for someone to bring it for me.

You are just trying to make out that I am a time waster who took five minutes to leave the room and find a dam. Total rubbish.

I am also totally fine with foreplay. Lots of people come back to see me over and over again because I do give them a very good service. Stoking, touching me in places, licking, cuddling, hugging etc. I am absolutely fine with anything that does not hurt me. If you send an email to indian palace, they will send you a detailed list of exactly what services I do. I am fine and comfortable to do all the services detailed about me.

I would never ever be so rude as you have described me in your fake report. To quote what you lied about I said 'my nipple is sore, and do you mind not sucking it'. I would never ever be so blatantly rude like that. It's not my personality to be even remotely that way.

Big boring yawn from me 'kennydavies'.
