The Premises:

New two bed appartment,everything bright and shiny,opposite The HuB,plenty of paid and free parking nearby.

The Lady:

Had booked to see Honey but as I was 30 mins late she was otherwise engaged,but Katie was available and although had no prior information,when you have a drop dead gorgeous,leggy,busty,blonde, in her early 20's ,standing in front of you in the flimsiest of black lingerie,what do you do?Remove your clothes asap and join her on the bed,what else.

The Story:

Dispensed with the financials and down to business!Gentle kissing and much mutual groping,off with her tiny bra which barely contained a fine full pair of DD's, if I'm not mistaken, and off with the black thong.Did i mention Katie had the most perfectly formed derriere?Well she has.Everything covered,so on with the hat and straight into a 69,me licking her juicy pussy and Katie sucking me and licking my balls.Katie then bent over and pointed her bum in my direction and I didn't need asking twice,a vigorous bout of doggy,culminated with me pumping my load into her with much encouragement from Katie.A Nice chat and soon i felt hands and a mouth bringing my old chap back to life.On with the rubber again and sex in cowgirl,reverse cowgirl,and to completion in mish with Katies legs over my shoulder.A great session with a stunning young lady new to Mk.
