The Premises:

A private flat in a city centre block with a security system for entry, ensuring privacy and anonymity. There is plenty of parking nearby. The flat is very clean and comfortable and is a haven of safety. I have been wary of other establishments until I can see how the law change impacts (or doesn't).

The Lady:

Japanese lady, in late 20s. About 5'3", Size 8, long hair, nice face, lovely body and a soft gentle manner.

The Story:

I have been here a time or two and sadly all good things come to an end as she is going back to Japan in a couple of months, so this is both a tribute and a recommendation.

Ayako has decided lately that she will not now offer full sex but provides instead a totally unhurried and relaxing owo/hand-relief service. That is fine by me as she is an expert. What she gives is an hour of devoted attention from helping you to undress to assisting dressing afterwards with lots of stress-free relaxation to a crescendo in between.
