The Story:

Once in the apartemnt was made to feel welcome and once had a cold drink to soothe my fevered brow things moved along nicely.

Very friendly girl as agency indicated and we chatted away for a few mins before we sorted out the cash payment and discussed the requirements which seemed perfectly acceptable.

Once I was showered and we were on the bed she carried on natering away and I had a pleasant time while she did a nice massage.

After a few more mins she got down and dirty and we had much fun playing around and shagging. Lovely girl who seems to enjoy what she does and gets a thumbs up from me.
