The Premises:

Lovely, rather bohemian terraced house in a very secluded and private location. Directions and instructions were excellent. Very cosy, welcoming and relaxing with soft background music.

The Lady:

Absolutely stunning! Very pretty, decidedly woman-shaped (no size zero, but no BBW either), but her crowning glory is her hair; it's a lustrous cascade of rich, soft red glory. Collar and cuffs match :)~ Delicious lipstick, cool tongue piecing, beautifully but very subtly fragrant. This lady really cares about her appearance.

The Story:

I'd been looking forward to meeting Ruth for quite a long time, and had pretty high expectations of what the experience would be like; every expectation was completely blown out of the water. She is just an absolute treasure. I'd originally booked for an hour but pretty soon realised that I really should have booked for longer. Fortunately I was able to stay for an extra half hour.

This lovely lady is the very definition of 'no-rush'. I think the best advice I can give is just chill and put yourself in her hands, and book for a longer time because an hour is just not enough. Down-to-earth but classy, very bright and thoughtful, Ruth is one of the most naturally sensual women that I have ever had the pleasure of spending time with and out of hundreds of meetings with WGs, and dozens of girlfriends over the years, this was one of the most erotic, life-affirming encounters that I have ever had. Will I be back? Damn, yes!

Thank you Ruth, See you soon!
