The Lady:

The pictures are flattering but she looks older on them as in real. So the real deal is even nicer. Very slim firm body, silky skin. Tender nice small breasts and bum.

The Story:

Katerina was a fantastic event. As I knew instantly that the chemistry is right so I topped up to 2 hours and I was fully rewarded. The details of the event stays with her and me but I can assure that there was nothing untouched or missed at any time. In fact if I were only a few years younger I could have had even more. Treat that treasure well.
