### The Premises:

Location above florist. Plenty of parking around. Met by receptionist and then met other two girls, unfortunately I had requested Bailey as I had seen her pictures on the web, or what I thought were her pictures. On the web totally different person.

### The Lady:

This lady is not like her photos on the website. Her hair was Black as was her pussy fluff, her tits sagg, but she did have a tight pussy. Apart from that she is a pleasant person to talk too.

### The Story:

Bit rushed, too quickly on with the condom and then onboard. No time given to kissing and cuddle alittle poor.
