The Premises:

I last used this parlour a couple years ago and the new location is between Eltham and Shooters Hill. It is an upstairs flat in a parade of shops. It is very comfortable and clean inside.

The Lady:

Jenny is from Laos and she is late 20's to early 30's with small breasts and a nice, slim bum.

The Story:

I was so tired on this very hot day. I chose the ?60 o without service and received a firm, followed by sensual massage. I turned over and received o without which got me in the mood. On went the condom and Jenny climbed on top in the reverse cowgirl position. I almost came very quickly and just about pulled out in time. We then switched to missionary and then doggy. I ended the session by coming over Jenny's boobs.

I then had a shower ,got dressed and wearily made my way home.
