very smart pied a terre between edgware rd and marble tube stations. Completely safe area.

The Lady:

5'11" to 6 ft tall, slim, very busty, gorgeous. If you are into tall women, Sophie is absolutely irresistible - fantastic figure and extremely personable.

The Story:

Occasionally along comes a woman who presses all the buttons - I started this game off with a girl called Lucy about 6 years ago, 5'11", with a figure that actually brought the postman (delivering letters to the adjacent flats) to an open-mouthed, gob-smacked halt as we climbed the stairs to her flat; then there was much-missed Kelly and of course Chelsea, all 5'9" gorgeousness of her and Sabrina of York who shagged me to a mutual stand-still and Hungarian Christina who filled a T-shirt that would stop the traffic - sadly all gone.

And now Sophie, who presses the buttons as far as they can go: the equal of any and all - fucking gorgeous Sophie, a towering inferno of shagging paradise: legs, arse, boobs, smart, sophisticated - I lust after her something terrible. And she wants some exciting sex! what more could anyone want. Not for those of a nervous disposition.
