The Premises:

Basement entrance on a nice quiet road - felt safe. Getting to flat slightly complicated - she escorts you through the building and out back into a separate block. Cosy flat, nicely done-up with a sense of personality.

The Lady:

The photos on the website pretty much capture her exactly. She was smiley in person and I found her very attractive!

The Story:

This was my first time with an older woman, but I definitely made the right choice here. Gina was very attractive in the flesh and seemed friendly and relaxed, and she made me feel comfortable (and horny!) from the start.

After a quick drink, we moved through to the bedroom and were more or less straight into action. DFK and foreplay were enthusiastically given and received and she was very responsive throughout. She was complimentary during RO (which is always gratifying!) and sex was passionate, ending in a close tight embrace.

Afterwards, she gave me a lengthy massage, which was expertly done, although I didn't have the heart to tell her at the time that I don't really believe in the spiritual aspects of massage as she does.

At the end, the feeling was of a shared and intimate experience that had been mutually enjoyable. I left with a nice afterglow and hope to return at some point in the future.
