The Premises:

Great apartment in a very Central location , with good parking nearby. Probably one of the best appointed apartments I've visited. On suite facilities , all very nicely doneJust one thing would improve the client 'experience'a chair in the room !!

Just to plomp your clothes on ... abandoning them on the floor feels so tacky!!

The Lady:

In a word Kitty is stunning. The photos are pretty good (except that Kitty is now dark haired .. looks good too !!) and allude to how pretty she is ..but in person she just blows you away. Lovely soft skin, fantastic figure, Boobies to die for, peachy bottom !! Can't fault a thing.... plusshe is just lovely with it.

There's been a lot of chat on P'net forum about what it takes to be a great escort and provide a great service ..Attitude seems to be the answer

Whatever that attitude isKitty it in spades !!

The Story:

Well there is a Punting God after all !! My prayers have been answered !! I first saw Kitty some 12 months ago under the (much missed) C9 brand and then she disappeared to get on with life and learningI had no idea when or even if, she would returnbut just hoped !!

On noticing that she was about to reappear as an "Independent Angel" I could not get my booking in fast enough ... 10.15 on Saturday morning is not usual punting time for me ...But bloody hell !! was it worth it !!

Kitty, is as lovelyand as skilled as ever. ... This young lady is just a joy to be with , she's not just good at her job , but is great to be with , lovely to chat to(we didn't seem to spend huge amounts of time chatting mind) She genuinely enjoys her job and that enjoyment transmits itself direct to the client.

I was greeted like an old friend and, after a quick shower ...(A shower is always worth while in my opinion, a courtesy to your partner and I believe it also brings its own benefits !!) ...being freshly

showered I got my first taste of Kittys wonderful oral skills within about 2 mins of emerging from the showeroom !! what a way to go.....I was going to have to pace myself this morning!!

I could easily exceed the 'superlative' limit talking about Kitty ... Her kisses are full on and involve you completely.

She is skilled at every aspect of her job and just to be with such a lovely womanPhew !! Well... its why one punts isn't it !!

I am not giving a blow by blow account of 45 minutes of real pleasure and enjoyment....it was just great sex ... every aspect delightful , every view .. delicious, This is one sensual lady.

Kitty has to be seen and experienced for it to make sense.

Quite simply - faultless ...and very lovely

Kitty, I wish you well.

& Thank you
