The Lady:

Early 20's brunette,girl next door type,curves in all the right places,nice friendly smile,all decked out in black lingerie,nice 34 c breasts.

The Story:

Greeted with a kiss and a hand inside my boxers,soon both naked and kissing and groping each other,got Louise on the bed and spread her legs wide before licking her sweet pussy which turned in to an extended bout of 69 with her showing much talent in the cock sucking department.On with the condom for sex in mish & doggie before Louise asked if i'd like to come in her mouth,how could i refuse.off with the rubber and Louise knelt between my legs sucking like a dyson and draining me dry.Very enjoyable session,will be back for more.
