### The Premises:

Shared flat on the Cromwell Road near the museums. Small room but perfectly acceptable. Good shower. If you tubing, South Ken is slightly nearer than Gloucester Road.

### The Lady:

As per web pics. Tall, slim blonde in her early 20s with a good body and a nice face. If I were being super-picky I would say her breasts are a tad soft, but no doubt she'd say the same about my dick.

### The Story:

Good punt with an enthusiastic East European girl. She told me which country but my memory is going these days. Light french kissing. Oral was covered but pleasant reverse oral available. Couldn't make her cum even with a vib but it wasn't for want of trying.
