### The Premises:

My first visit to Brooklyns. Clean, tidy - but didn't like the communal Lounge area. Easy parking nearby. In the Lounge, was most suprised when Trinity wandered through stark naked! Shortly afterwards, Astrid introduced herself - was expecting a big, brassy amazon, she was slim, blond and gorgeous. Next came Jodie, tall buxom brunette who came over and kissed me. But both were booked up.

### The Lady:

Brunette, early 20's, good figure but spoilt for me by lots of tattoos, not my thing.

### The Story:

She was pleasant, but dodn't kiss. Otherwise OK - but I think I would go for Astrid or Jodie next time
