The Premises:

Smallish hotel in central Soton. The lift was very close to the door, which is always a bonus.

The Lady:

Victoria is a very good looking, petite blonde Polish girl with small pert boobs. She's a sporty girl, so very fit. She greeted me in her underwear and was very friendly and easy to talk to.

The Story:

I didn't get much time to chat, as she was all over me like a rash! She stripped me down whilst snogging me and led me to the bed. I stood at the edge of the bed whilst she sucked me on all fours. Then more kissing and sucking, both ways. She mounted me first in reverse cow girl, which was a lovely site. Vicky doesn't seem to have an ounce of fat on her, but she still has a curvy bum. She turned round for cow girl, but I had to cool down for a bit, so more kissing followed and then I finished with her on top.

Chatted afterwards about all sorts of stuff and she gave me a big kiss goodbye. Such a nice friendly girl, totally at ease with what she does. Hopefully she'll be back in Soton again soon.
