### The Premises:

Very clean basement apartment near quaint little venice. Nice big bedroom friendly welcome from maid offered a drink

### The Lady:

Initially I was going to stay for 1 hour however work commitments prevented this. Was shown 3 girls but I sort of knew I wanted Emma before I went as I had seen her reviews on here one being quite recent. She was absoulutely gorgeous. Longon blonde hair, sexy underwear, great tits - stunning

### The Story:

Opted for half hour owo offered a shower whilst Emma disappeared with the money. Was offered the shower so was polite to take it. The bedroom has an ensuite so no awkward corridor moments. Emma returned and stripped to just her pants. She positioned herself so I could suck her gorgeous tits whilst she played with my cock to get him hard. She has great tits, soft and so suckable. I laid Emma on her front to kiss her the back of her neck and back. I was ready for my owo and Emma began to suck. She has this tongue which is quite sensational. She had laid in a way so that I could play with her pussy and give her a lick too. Onto to the fucking on with the rubber and banged her hard from behind. Awesome half an hour well spent! Will be back soon!
