The Premises:

Small but classy place - very clean and with friendly receptionist

The Lady:

Gorgeous brunette with smallish but very nice boobs and a very sexy ass. Scarlet has a sexual presence which I have only come across on a few occasions (the other wiith Scot's Alex) meaning she only has to come close to you to get you really turned on.

The Story:

Seen Scarlet 2 weeks ago and had to go back for more (would have been last week but she was not there!) opted for a tie and tease session and wow it was good. Having Scarlet sit on you back , legs, chest, face and tongue with her sexy ass whilst doing things to you is fan-bloody-tastic.

Scarlet is very sensual and class all the way - treat her well guys.
