### The Premises:

entrance on main road. place was hectic. called on spec. and was welcomed but following visitors advised to return later, ended up waiting 20mins from arrival to be seen. the place is clean and tidy but is showing signs of wear and tear

### The Lady:

absolute stunner, photos on website do not do her justice and she is also very attractive which is lost in pixelated photos

### The Story:

I let Jodie take the lead and I was not disappointed. She was sensuous with a light touch and guided me through the experience. GFE included and opted for OWO as an extra. Very enthusiastic and eager to please and be pleased. Will definately return and go for a longer experience in future and will book ahead
