The Premises:

Very clean, but she leads you to it through a series of phone calls. A bit of cloak-and-dagger spin, but worth it as you will read below.

The Lady:

22 year old arab girl from Dubai - extremely delicate features and soft spoken. She is slim and sexy, but a bit reserved at first.

The Story:

Excellent punt. Began unpromisingly, with her drawing lines - her nipples were too sensitive and therefore out of bounds, and no DATY since she reacts badly to strangers saliva! Fortunately, after that it was all systems go. I asked for owo which was delivered very well - soft warm mouth and in no hurry at all. I am sure FS would have been passionate, but I ended with CIM. She is well worth a visit, and more information can be had from that site.
