Details of Service Provider:

The Premises:

Very smart 5 bedroom home in a gated community. A bit difficult to find, but she guides you to it through a couple of phone calls. Public transport users will find it impossible.

The Lady:

22 year old Indian with girl-next-door looks except for the obvious implants (she would have done better without, but overall, still sexy)

The Story:

I am still wondering why she is in the business - she has a smart address, drives a BMW, and comes across as a fairly regular girl. Still, ours is not to reason why! Very passionate when it came down to business, excellent oral without, and kept at my bell-end well after I had finished coming. All in all, a great find, and one to treat with respect.
