The Premises:

Clean, not too far from the train station. Off a main road but didn't feel conspicuous.

The Lady:

She could be related to Aletta Ocean (porn star) without the boob enhancement. Good looking dark haired Eastern European beauty.

The Story:

Was feeling a bit rushed and stressed, but she was polite and accomodating. Had a shower and got down to business. Would have liked OWO but she opted for full coverage. Didn't take long for me to be ready to try all the positions I could in the short time I had before having to go to a meeting. She seemed to enjoy the doggie facing the mirror. We got into mish and she locked her legs tightly around me when she came. That was my cue to bury it deep and release.

Def would see her again but spend at least an hour. Maybe get her to put on the cat suit.
