The Premises:

Met Lilly at her flat which was very clean and tidy. Parking was good and away from public view as it was behind the building as was the entrance to the flat.

The Lady:

Lilly is 5'9 with curly blonde hair and a lovely curvy figure. She has amazing large natural breasts (36G she told me!) and a pretty face with a warm smile.

The Story:

Lilly makes you feel very relaxed from the start and we ended up chatting for probably the first 10-15 min. When we finally did get down to business, I can only say that Lilly is an amazing kisser and has some extremely long nails which, once she got me naked, she used in a teasing way to great effect. I won't go into intimate details of our time together but Lilly certainly seemed to enjoy it which is an important part of it for me - she got very wet and extremely vocal, especially during the penetration which was a real turn on. Lilly more than met my expectations and the whole experience seemed completely unhurried. Also if you are a big breast lover like me you will not be disappointed.
