### The Premises:

Quite discreet side alley in a suburban parade of shops. Never busy and can be accessed from the back. Have been here a few times and the girls have always attractive, friendly and enthusiastic.

### The Lady:

5ft 4ins, shortish blonde hair and slim with good sized boobs. Very nice.

### The Story:

Arrived on the off-chance knowing it would be busy on Friday afternoon. Only Lara available, other girl was busy, no problem with that. Had a quick shower and this was clearly appreciated by Lara on what was a very warm day.

Asked for a long, slow hand-job. Not exactly what I received but absolutely no complaints. Lara was extremely enthusiastic and forward using tongue, mouth and hands expertly and then asking if she could use a toy on me. Couldn't refuse and it was a small and extremely effective vibrator used on my prostate. I had to slow things down and asked to lick her bum. She sat firmly on my face and allowed me to bury my tongue deeply up her ass before grinding her pussy hard on my tongue insisting "Make me cum!" How could I refuse, this was almost as good as any ass worship or smothering I have had and it was not requested which made it all the better. Lara was firmly in control and I was loving it. I finished on all fours as Lara milked me expertly to a shuddering end. I had just wanted an end of week relaxation hand-job and Lara had used and abused me wonderfully.
