The Premises:

Went along to the x-lounge after reading good reports on Jaden. Nice little place kept clean and tidy. Very very discreet in fact I've walked down nelson street in the past and never noticed the place before.

The Lady:

Jaden wasn't available so as I didn't have time to wait I went for Simone. Bloody hell what a body for an older girl. Fit as a fiddle with a slow sexy voice. A nice handfull with a slim tight body.

The Story:

Got the usual out of the way and Simone stripped off for the massage. it was getting uncomfortable for me laying on my stomach if you know what I mean and I couldn't wait to turn over, this lady has a wicked body for her age, about 39/40?? didn't bother to ask I was too ready and willing to get on with the bits that matter. Soon had her sexy mouth around my jimbo(covered) and had to stop her a few times. Finished off with Simone on top and was over in seconds, unusual for me but this lady was a sex bomb! Only a 20 min session but worth it, hope to last longer next time Simone, thank you.
