The Story:

Pleased to say that I was delighted to find Vanessa very accommodating. She looked amazing on the web and kneeling in front of me looked even better. Great OWO. BJ blew my mind. She practically begged to be taken from behind and as a fav position i was more than willing to accept. She was quite vocal. lots of moaning & groaning which i personally love. She got really hot & pushed her butt back onto to me as i pumped. Moved into missionary & shot my load. Superb! All in all a very good service (5Star).
