The Premises:

Very nice clean stylish place on interior - building stairwell was a bit scary.

The Lady:

Paris has a hard body, a very natural beauty, and a captivating smile. She is completely shaven with a very small tattoo on her tight tummy.

The Story:

I very much enjoyed my time with her and I highly recommend her.

She enjoyed taking things slow at first, talking with light caresses. We moved to oral by me and covered oral by her to 69. Then moved to missionary and then her on top. From my impresion, she has a good heart, a great body, and a very sensual persona.

I hope to be back to see her again.
